Concert Attendance Policies

Concert performance and attendance is part of the curriculum for orchestra as established by TEA and Katy ISD. To fulfill this requirement, **the students will receive a major grade for all concert performances.** **Students who have an unexcused absence to a performance will be given an alternate assignment with a maximum grade of 70.** Students are excused for personal illness. When the student has a conflict with another **KISD** event, such as a KISD athletic event, arrangements must be made with the student's director and coaches prior to the concert date. Sporting events or other conflicts that are not sponsored by Katy ISD will not be an excused absence. **Students who have an unexcused absence to a concert will not be eligible to attend the Spring Trip.**

STUDENT: I understand that it is my responsibility to inform my parents of upcoming concerts so that transportation arrangements can be made and scheduling conflicts resolved before the event. I have received a copy of the orchestra calendar and know when I must attend concert performance.

PARENTS: I understand that my child receives a major grade for concerts and that I can find all concert dates on the orchestra website as well as communication received from the orchestra directors.
